

HIGH STREET–STIRLING HIGHWAY INTERSECTION — UPGRADE

**917. Hon SIMON O'BRIEN to the minister representing the Minister for Planning:**

I refer to the McGowan government's proposed works for High Street and Stirling Highway in Fremantle and East Fremantle.

- (1) Of the 17 buildings to be demolished in the course of these works, how many are leased or rented to residential tenants?
- (2) When will the tenants, if any remain, be evicted?
- (3) Have any current or former tenants been served with notices of eviction; and, if so, when and with how much notice to move out?

**Hon STEPHEN DAWSON replied:**

I thank the honourable member for some notice of the question.

- (1) Four of the properties to be demolished are leased to residential tenants.
- (2) As the project is still in planning and development, that is yet to be determined.
- (3) There is one commercial tenant, who was advised on 8 June 2018 and given six months' notice, as per the conditions of their lease agreement.
