

ROAD SAFETY COUNCIL

857. Mrs M.H. ROBERTS to the Minister for Road Safety:

I have a supplementary question. Is not the truth of the matter that for over a year now the Road Safety Council has been gutted of its purpose and is operating contrary to the Road Safety Council Act 2002?

Mrs L.M. HARVEY replied:

Absolutely not, and it is not acting contrary to the act whatsoever. That is a mistruth.

Mrs M.H. Roberts: You have just misled the house!

The SPEAKER: Member for Midland! Member for Hillarys, you had a question.
