

ASBESTOS — NUMBALA NUNGA NURSING HOME — DERBY

**657. Hon KEN BASTON to the parliamentary secretary representing the Minister for Health:**

I refer to the fire at the old Numbala Nunga nursing home on Sutherland Street in Derby, which occurred on Sunday, 17 September, which is over three weeks ago.

- (1) Are there concerns about loose asbestos at this site?
- (2) Who is responsible for this site?
- (3) How soon is clearance of this site likely to occur?

**Hon SAMANTHA ROWE replied:**

On behalf of the parliamentary secretary representing the Minister for Health, I thank the honourable member for some notice of the question.

- (1) No. All concerns about asbestos have been managed in accordance with asbestos management guidelines and by a licensed contractor.
- (2) The WA Country Health Service is responsible for the site.
- (3) Demolition works are intended to commence within two months.
