

ENERGY — CARNEGIE CLEAN ENERGY — SITE ACCESS NEGOTIATIONS

1807. Hon Colin Holt to the minister representing the Minister for Energy:

I refer to negotiations between the State Government and Carnegie Clean Energy Ltd for access to Kemerton Industrial site and Mungari Solar Farm site, and I ask:

- (a) what is the current status of negotiated access arrangements for Carnegie Clean Energy to both sites;
- (b) were these sites put out to public tender and, if so when;
- (c) does the Minister for Regional Development have a formal role in managing the government interaction with Carnegie Clean Energy and access arrangements to these sites;
- (d) if yes to (3), what role does the Minister have;
- (e) what is the current status of the proposed solar farm on the Kemerton strategic industrial area;
- (f) what is the current status of the proposed solar farm on the Mungari industrial site; and
- (g) will the Government be going to tender for either of these projects, or are they private arrangements?

Hon Stephen Dawson replied:

- (a)–(g) Please refer to Legislative Council Question on Notice 1808.
