

PERTH PARKING TRUST FUND

830. Hon ALISON XAMON to the Minister for Transport:

What is the current balance of the parking levy fund and which costed projects that will use those funds are currently underway?

Hon Ken Travers: Lots and lots and none.

Hon SIMON O'BRIEN replied:

The member's unruly interjection might offer a *Reader's Digest* abridged version of the answer, but I will, as ever, as a representative of the Barnett government, try to assist Hon Alison Xamon by providing fuller advice.

The accumulated balance of the Perth parking trust fund at the end of June 2010 was \$21 million, and allocated funding for this financial year is \$14 million. The levy currently funds the Perth CAT bus services, the free transit zone and administration expenses, including performance monitoring and associated studies.
