

SCHOOLS — CAPITAL WORKS

429. Hon DONNA FARAGHER to the Minister for Education and Training:

I refer to new capital works and capital works in progress at Western Australian government secondary schools.

- (1) As at 11 March 2017, which secondary schools had approved funding for capital works improvements or new works?
- (2) For each school referred to in (1), can the minister list the funding for each project, its current status and the expected completion date?

Hon SUE ELLERY replied:

I thank the honourable member for some notice of the question.

The answer is in tabular form so I seek leave to have it incorporated into *Hansard*.
