182. Hon Alison Xamon to the Minister for Education and Training:

I refer to the WA Labor commitment to fund participation by Western Australian public secondary schools in the Safe Schools program, and I ask:

- (b) how many Western Australian public schools currently participate in the program; and
- (c) what is the average cost per school to participate in the program for one year?

**Hon Sue Ellery replied:**

- (a) \$335 000 over two years.
- (b) 24 as at 11 September 2017.
- (c) There is no cost to schools.
