

POLICE OFFICERS — PEEL DISTRICT

8832. Mr D.A. Templeman to the Minister for Police

I refer to the Police stations in Mandurah, Mundijong, Dwellingup, Pinjarra, Boddington and Rockingham, and I ask:

- (a) can the Minister outline the number of full-time equivalent (FTE) Police Officers assigned to each station as at 30 June 2008;
- (b) can the Minister outline the number of FTE Police Officers assigned to each station as at 30 June 2012;
- (c) can the Minister outline how many officers are designated as WA Police Crime Prevention and Community Diversity Officers and or Crime Prevention Officers at each station?

Mrs L.M. HARVEY replied:

The Western Australia Police advise due to operational sensitivities, specific information relating to staffing levels of individual police stations is not released. Resources are principally allocated at a District level and District Superintendents deploy these resources within their District to provide the best possible policing service to meet operational requirements and the varying needs of the community.

(a)–(b) [See paper 5552.]

(c) The Peel District has two FTE Crime Prevention and Community Diversity Officers.

1. As of 1 June 2010 prior to the District changes the numbers were the same.

- On 1 July 2009 following a review of district boundaries there was a realignment of Peel District from RWA to South Metropolitan District which also incorporated the sub-districts of Kwinana and Rockingham from South Metropolitan District.

28 full time equivalent (FTE) police officers from a mixture of allocated FTE's and additional FTE's created a District Crime Team, Criminal Intelligence Crime Unit, and Family and Domestic Violence Teams to fall in line with the Metropolitan Model.

- On 1 July 2010 the Yarloop Police Sub District was moved from Peel District to South West Police District and the Boddington Police Sub District moved from Peel District to Great Southern Police District
