

PLANNING — WATERLOO INDUSTRIAL PARK

4033. Mrs L.M. Harvey to the Minister for Planning:

I refer to the media release dated 18 May 2017 titled Waterloo Industrial Park plan open for public comment, and I ask:

- (a) How many submissions were received as part of the consultation process;
- (b) Has the district structure plan now been finalised; and
- (c) If no to (b), why has the plan not yet been finalised and when is it expected to be finalised?

Ms R. Saffioti replied:

- (a) 24
- (b)–(c) The Waterloo Industrial Park District Structure Plan needs to be updated to consider both Main Roads Western Australia's proposed realignment of the Bunbury Outer Ring Road and the District Water Management Strategy which is under development. It is anticipated that final endorsement of the District Structure Plan will be considered by the Western Australian Planning Commission in mid-2019.
