

MOTOR VEHICLES — VSB6 APPLICATIONS

6394. Hon Ken Travers to the Minister for Finance representing the Minister for Transport

Where a VSB6 modified vehicle identification plate has been issued by a Department of Transport authorised examiner, what audits are carried out by the Vehicle Standards Branch of Department of Transport on authorised signature approved VSB6 plates on the vehicles themselves?

Hon SIMON O'BRIEN replied:

The Department of Transport (DoT) advises:

All heavy vehicles which have been fitted with a VSB6 plate, following modifications by an authorised modifier, are audited when the vehicle is inspected by either a DoT vehicle examiner or an authorised vehicle examiner employed by an approved inspection station.
