

SCHOOLS — UTILITIES

4159. Ms M.J. Davies to the minister representing the Minister for Education and Training:

For each Western Australian Government school for the years of 2015; 2016; 2017 and 2018 (to date):

- (a) How much was spent on electricity;
- (b) How much was spent on water; and
- (c) how much was spent on supplying gas, either bottled or reticulated?

Mr P. Papalia replied:

- (a)–(c) The answer includes both accounts paid directly by the school and accounts paid centrally by central office on the school's behalf.
