

PAEDOPHILE — CHILDCARE CENTRE — NORTH FREMANTLE

697. Hon SUE ELLERY to the Minister for Education:

- (1) When did the minister become aware that a convicted paedophile was living close to a childcare centre in north Fremantle?
- (2) What did the minister do once he became aware?

The PRESIDENT: I call the Leader of the House in terms of the portfolio implications of that question.

Hon PETER COLLIER replied:

- (1)–(2) I became aware when I heard about it on the news this morning. I have not done anything to this point. I am sure that the department will be following it up. Fundamentally, it is an issue for the police and for the Attorney General, I would have thought.
