

LANDCORP — SPRINGS RIVERVALE DEVELOPMENT

1241. Hon SAMANTHA ROWE to the parliamentary secretary representing the Minister for Lands:

I refer to LandCorp's Springs Rivervale development and the total cost in preparing the lots for the sale. What was the total cost for each of the following work —

- (a) land purchases;
- (b) planning and environmental approvals processes;
- (c) infrastructure work at the site;
- (d) costs paid to the government trading enterprises; and
- (e) legal management consultation fees?

The PRESIDENT: That is not the same question as before, is it?

Hon COL HOLT replied:

No, it is not.

I thank the honourable member for some notice of the question.

Several members interjected.

Hon COL HOLT: If opposition members got together, they could put all these questions on notice in one package.

It is not possible to provide the response in the required time. I request the member place it on notice.

Several members interjected.

The PRESIDENT: Order, members!
