

**TORCH FOR LEGACY — SCARBOROUGH SPORTSMEN'S CLUB**

*Statement by Member for Scarborough*

**MRS L.M. HARVEY (Scarborough)** [12.58 pm]: On Sunday, 7 November, I had the pleasure of attending a Torch for Legacy fundraising event hosted by Scarborough Sportsmen's Club. The event, which also coincided with the club's annual open day, saw the combination of two 1960s music legends, Normie Rowe and Johnny Young, perform with the 17-piece Australian Army big band. The event was most enjoyable and attracted hundreds of community members from the wide range of ages and families that this club is now appealing to. Many of the more seasoned members of the club, me included, were taken on a nostalgic journey back to the old days, with our arms swaying in unison to the words of *All My Lovin'*. There is no doubt that the day was a huge success, with \$2 678 raised by the club, which has been handed over to Legacy. The event would not have been as successful without the support of Captain Riek and his Army band of pipes and drums, Rick Steele and his team from the Perth Blues Club, Banjo Bob, the Zucchini Brothers and, of course, the ever-immortal pop stars Normie Rowe and Johnny Young.

I make particular mention of Marlene Robbins for her hard work in assisting with entertainment; Mike Robinson, the president of Scarborough Sportsmen's Club, who spent many of his own hours and money ensuring that the event was a huge success; and also the City of Stirling and local businesses, without whose support the event could not have been successful. Congratulations, Scarborough Sportsmen's Club. It is great to see such an integral part of the Scarborough community, through excellent entertainment, giving back generously to the worthy cause of Legacy. I look forward to attending next year's Legacy event at Scarborough Sportsmen's Club.
