

KARRAKATTA UNDERPASS — CONSTRUCTION ISSUES

1925. Hon Ken Travers to the Minister for Transport

- (1) Will the Minister provide a detailed statement of the problems, that were encountered in the construction of the Karrakatta Underpass?
- (2) What lessons have been learnt as a result of this project and its associated delay?
- (3) What procedures have been adopted to ensure similar events do not occur in the future?

Hon SIMON O'BRIEN replied:

- (1) No. Due to the nature of the settlement that was agreed upon between all the parties involved, it is not appropriate to publicly release details regarding issues encountered in the construction of the Karrakatta Underpass. However, the Member is offered a confidential briefing by PTA Officers if he requires it.
- (2)-(3) The Public Transport Authority will in future limit its involvement in managing those aspects of projects that are not directly related to its core business.
