

**MINISTERS AND PARLIAMENTARY SECRETARIES — CONFLICTS OF INTEREST**

*Question without Notice 24 — Answer Advice*

**HON PETER COLLIER (North Metropolitan — Leader of the Opposition)** [5.07 pm]: On Tuesday, 16 May, I asked the Leader of the House representing the Premier a question on ministerial conflicts of interest. She said at that time that she would check to see whether she could get a response before I put it on notice. Time is moving on, and I just want to know whether a response will be forthcoming or whether I need to put it on notice.

**HON SUE ELLERY (South Metropolitan — Leader of the House)** [5.07 pm]: I thank Hon Peter Collier for reminding me. I think I did see a draft answer to that. I will check during tonight's dinner break, and I will let Hon Peter Collier know behind the Chair what the situation is.
