

BANKSIA ROAD WASTE FACILITY

**587. Hon DIANE EVERS to the Minister for Environment:**

I refer to Cleanaway's Banksia Road waste facility.

- (1) Is the minister aware of any licensing breaches that have occurred on the site in the past five years?
- (2) If yes to (1), can the minister please provide details including when the breach occurred, the nature of the breach and what was done to rectify the issue?
- (3) Will the minister please table the results of any water monitoring performed at the site over the past five years; and, if not, why not?

**Hon SUE ELLERY replied:**

I thank the member for some notice of the question, but I will make the point that asking for five years' worth of information in a question without notice of which some notice is given is, I think, unreasonable. The Minister for Environment has provided the following answer.

Due to the level of detail required in the time permitted, I ask that the honourable member put this question on notice.
