

PERTH RAIL NETWORK — AUDIT

5538. Hon Ken Travers to the Minister for Finance representing the Minister for Transport
- (1) When was the last time a 'systems of work' audit was performed on the Perth Urban Rail Network?
  - (2) Does the Public Transport Authority intend to perform an audit?
  - (3) If yes to (2) —
    - (a) when will this occur;
    - (b) why will this occur; and
    - (c) who will perform this task?

Hon SIMON O'BRIEN replied:

The Public Transport Authority advises:

The Public Transport Authority (PTA) is unsure what the Member is specifically asking with regard to a "systems of work" audit. If however the Member is referring to audits undertaken by the PTA and by the Office of Rail Safety, I would like to refer the Member to the answer provided for Parliamentary Questions 5540 and 5539.
