

ROAD SAFETY COUNCIL — RECOMMENDATIONS

Question without Notice 112 — Supplementary Information

MRS L.M. HARVEY (Scarborough — Minister for Police) [2.47 pm]: In accordance with standing order 82A, I wish to clarify a response to a question about random breath tests. I was quoting from memory with respect to the number of breath tests performed. However, in the 2012–13 financial year, there were 1 516 448 roadside breath tests performed and 14 238 people tested over the legal limit, as compared with 2007–08, when 892 751 roadside breath tests were performed, with 19 288 people testing over the legal limit. I wanted to clarify that for the record.
