

AQUATIC RESOURCES MANAGEMENT BILL

1379. Hon RICK MAZZA to the Minister for Fisheries:

Page 2 of the Premier's Statement, dated 18 February 2014, states that the government will introduce the aquatic resources management bill to modernise the management of Western Australia's fisheries systems. When will the bill be introduced?

Hon KEN BASTON replied:

I thank the honourable member for some notice of this question.

I expect that the aquatic resources management bill will be introduced during the 2015 autumn session of Parliament.
