

PUBLIC TRANSPORT INFRASTRUCTURE

**789. Hon KEN TRAVERS to the minister representing the Minister for Transport:**

- (1) Can the Minister for Transport outline a list of new public transport infrastructure that the Barnett government expects will be constructed in Perth by 2020?
- (2) What is the estimated cost for each project?
- (3) When does the minister expect construction for each project will commence?

**Hon SIMON O'BRIEN replied:**

I thank the honourable member for notice of the question. The Minister for Transport advises —

It is not possible to provide the information in the time available and I request that the member place the question on notice.
