

KARNET PRISON FARM — SEWERAGE SYSTEM

954. Hon HELEN BULLOCK to the minister representing the Minister for Corrective Services:

I refer to Karnet Prison Farm.

- (1) Have there been any maintenance problems with the sewerage system in 2011?
- (2) If yes, what was the nature of the problems and when did they occur?
- (3) Were any rooms unable to be used as a result of the sewerage problems; and, if so, which rooms were affected?
- (4) If rooms were unable to be used, how many rooms were unable to be used and for how long were they out of use?

Hon SIMON O'BRIEN replied:

This is very similar to another question I recall receiving, but in any case I thank the honourable member for some notice of this question. I am advised —

- (1) There were 14 faults on the sewerage system reported and rectified in 2011.
- (2) I have an answer in tabular form which I seek leave to table.
- (3) No.
- (4) Not applicable.

The PRESIDENT: I think the minister has tabled that and seeks leave to have it incorporated in *Hansard*.

Hon SIMON O'BRIEN: I was only seeking to table it.

The PRESIDENT: I am sorry; you were right. The minister has tabled the document. Sorry, I got it wrong.
