

SCHOOLS — DOUBLEVIEW PRIMARY SCHOOL

1889. Hon Michael Mischin to the Minister for Education and Training:

I refer to my questions since April 2018 regarding an official opening for the Doubleview Primary School, which has been operating since this time last year, and I ask:

- (a) has the school contacted the Minister's office regarding an official opening date and ceremony;
- (b) has a date been set:
 - (i) if yes to (b), what is that date; and
 - (ii) if no to (b), why not; and
- (c) if the Minister and the Parliamentary Secretary are too busy to hold an official opening ceremony, is the Minister prepared to deputise the local Member, the Hon Liza Harvey MLA, to open it on her behalf?

Hon Sue Ellery replied:

- (a) No.
- (b) Doubleview Primary School has engaged in a digital technologies program that supports the McGowan Government's priority to increase participation in STEM. I requested to visit the school to see how the program is used in a classroom. The school was invited to organise an official opening while I was visiting.
 - (i) Tuesday 9 April 2019.
 - (ii) N/A.
- (c) No.
