

ENVIRONMENTAL PROTECTION AUTHORITY — GREENHOUSE GAS EMISSIONS —
BRIEFING NOTES

260. Hon PETER COLLIER to the Leader of the House representing the Premier:

I refer to the briefing by the chairman of the Environmental Protection Authority on 21 February 2019.

- (1) Did the Premier or any member of the Premier's staff who attended the meeting take notes; and, if yes, will the Premier table the notes; and, if not, why not?
- (2) Was the Premier or his office provided with any briefing notes or other advice regarding the briefing?
- (3) If yes to (2), who prepared the notes or advice and will the Premier table the notes or advice; and, if not, why not?

Hon SUE ELLERY replied:

If I had not been sitting at the table, I probably would have brought this to the member's attention.

I thank the honourable member for some notice of the question. I am unable to provide an answer in the time provided. It is requested that the member put the question on notice.
