

**STATEWIDE SERVICES CENTRE — STAFF**

*Question without Notice 876 — Supplementary Information*

**HON SUE ELLERY (South Metropolitan — Leader of the House)** [5.09 pm]: I have some information for Hon Donna Faragher in relation to question without notice 876 asked on 29 November 2017. I undertook to provide supplementary information to answers (2) and (3) today.

- (2)–(3) There will be an increase in both FTE and headcount at the statewide services centre for 2018. Additional services for schools and teachers will be moving to the Padbury site for 2018. These include the areas of early childhood, graduate teacher support, and agricultural education and regional development. There will be a reduction of 15 FTE from the current structure, but with the addition of the services identified above, there will be a net increase of approximately 20 FTE.
