

**CANCER PATIENTS — DEDICATED TRANSPORT SERVICE**

*Petition*

**MR P. PAPALIA (Warnbro)** [9.01 am]: I present a petition signed by 601 people, which is certified as complying with standing orders, and reads —

To the Honourable the Speaker and Members of the Legislative Assembly of the Parliament of Western Australia in Parliament assembled.

We the undersigned, say that we support the introduction of a low cost dedicated transport service for people in the Rockingham, Singleton, Golden Bay, Secret Harbour areas who are undergoing cancer treatment at the major Perth hospitals. Currently the transport needs of cancer patients in these areas are not being met.

Now we ask the Legislative Assembly to consider our Petition favourably and make the appropriate changes to implement a transport system to aid people having cancer treatment.
