

DANGEROUS SEX OFFENDERS — GPS TRACKING DEVICES

**199. Mr P. PAPALIA to the Minister for Corrective Services:**

I have a supplementary question. Has the minister just confirmed that he has no idea how many breaches there were by dangerous serial sex offenders in this state over the past 12 months; and, if there were, he has no idea about how many of those individuals were sent back to jail? Is that what he is saying?

**Mr J.M. FRANCIS replied:**

The member referred to three DSOs; I do not know which three he is talking about. If he wants to tell me which three he is talking about, I will seek advice from the Department of Corrective Services.
