

EDUCATION CENTRAL — CITY BEACH SITE

103. Hon DONNA FARAGHER to the Minister for Education and Training:

I refer to the government's Education Central policy. Given the government is not intending to construct a new school at City Beach on the site of the old City Beach senior high school, what does the government intend to do with this site?

Hon SUE ELLERY replied:

I thank the honourable member for the question. We have yet to make a final decision on what we are going to do with the City Beach site. In fact, we said in our election promise that we would make a decision about what we were going to do about the City Beach site in government.
