

HOMELESS HOUSING — DEPARTMENT FOR CHILD PROTECTION
AND FEDERAL GOVERNMENT CONTRIBUTIONS

142. Hon SUE ELLERY to the minister representing the Minister for Housing:

I refer to the foyer model of housing for homeless young people announced recently, noting the recent one-off contribution by Lotterywest.

- (1) What is the financial contribution of the Department for Child Protection in respect of capital and recurrent funding?
- (2) What is the financial contribution of the federal government in respect of capital and recurrent funding?

Hon SIMON O'BRIEN replied:

I thank the honourable member for some notice of this question.

The Department of Housing advises the following.

- (1) The capital for the foyer development will be provided by the Department of Housing. The support component will be provided by the Department for Child Protection. This totals to about \$9.8 million, the support component of which is recurrent.
- (2) The federal government contribution is approximately \$10.68 million—capital only.
