

STRATEGIC CONSERVATION FUND

964. Mr C.J. TALLENTIRE to the Minister for Environment:

I have a supplementary question. I last raised this issue with the minister six months ago. He has had six months to collect at least \$30 million or \$40 million. Why has he not done it yet?

Mr A.P. JACOB replied:

My answer remains the same.

Mr C.J. Tallentire interjected.

The SPEAKER: Member for Gosnells, I call you to order for the second time. Minister, do you want to answer that?

Mr A.P. JACOB: My answer remains the same. The requirement for contributions to those funds —

Mr C.J. Tallentire interjected.

The SPEAKER: Member for Gosnells, I call you to order for the third time.

Point of Order

Mrs M.H. ROBERTS: While the member for Gosnells was asking his question, and questions are normally asked in silence, the Leader of the National Party and other people interjected more than once. I note that they have not been called to order. I am just asking why is there not some balance here.

The SPEAKER: I will watch the Leader of the National Party, thank you very much.
