

TAFE — STUDENT MANAGEMENT SYSTEM

**706. Hon ALISON XAMON to the Minister for Education and Training:**

I refer to the \$15 million budgeted for the implementation of the student management system across TAFE.

- (1) How much has already been spent on this project?
- (2) How much is forecast to be spent on the remainder of the initial rollout of this system across TAFE?
- (3) How much funding was allocated to change management and training?
- (4) How much of this funding has been spent?

**Hon SUE ELLERY replied:**

I thank the honourable member for some notice of the question.

- (1) There has been \$10 959 067, excluding ongoing licence costs, spent on this project.
- (2) An amount of \$4 040 933 is forecast to be spent.
- (3) It was approximately \$1 183 220 of the project budget. In addition, supplementary funding of \$2.185 million has been provided to TAFE colleges to support project management, change management and training, outside of the project budget.
- (4) Approximately \$892 886 of the project budget has been spent.
