

POLICE — BALLAJURA POLICE STATION

2562. Ms R. Saffioti to the Minister for Police:

I refer to the promised Ballajura Police Station and ask:

- (a) has the Western Australia Police completed its due diligence and selected a site for the new Ballajura Police Station;
- (b) if yes to (a), what site has been selected;
- (c) if yes to (a), when will site works begin at the selected location; and
- (d) if yes to (a), when is the expected date of completion and the new station operational?

**Mrs L.M. Harvey replied:**

- (a) Western Australia Police is nearing the completion of a preliminary site report and due diligence on a proposed site for the new Ballajura Police Station.
- (b) The proposed site is on Cassowary Drive, adjacent to Ballajura Community College.
- (c) The development of the building envelope for the new station is currently in the Project Definition Plan (PDP) phase. A formal program for the project will be produced during the PDP phase. Early indications are that site works will commence in late 2015.
- (d) Based on current information and subject to unforeseen issues, it is anticipated that Ballajura Police Station will be completed and occupied in late 2016.
