Question: Ms L. Mettam asked for the number of people who were supported by Safe at Home-funded services over the year 2020–21.

Answer: In 2020–21 the six Safe at Home services funded by the Department of Communities assisted an estimated 836 clients. This is not the number of distinct clients as clients may be assisted by more than one service.

The number of distinct clients over the year of 2020–21 will be available at the end of October 2021 when additional information will be provided by the Australian Institute of Health and Welfare.
