

**BUSINESS OF THE HOUSE — ORDER OF BUSINESS**

*Statement by Leader of the House*

**HON SUE ELLERY (South Metropolitan — Leader of the House)** [5.57 pm]: Madam Acting President, noting the time, and that I will need to jump over the next two bills because the Minister for Environment is out of Parliament on urgent parliamentary business, it is my proposal that we would begin debate on the Public Health Amendment (Immunisation Requirements for Enrolment) Bill 2019. However, I flag that there has been discussion behind the Chair about how we might progress that, so I would appreciate the dinner break to be able to confer with the opposition. I do not know what I need to move to enable me to jump over those two bills.

**The ACTING PRESIDENT:** That is okay. I will leave the chair until the ringing of the bells.

*Sitting suspended from 5.58 to 7.30 pm*
