

HOUSING AUTHORITY — NINGA MIA

853. Hon STEPHEN DAWSON to the parliamentary secretary representing the Minister for Housing:

I refer to the Ninga Mia community in the goldfields.

- (1) Has the Housing Authority commissioned or completed any reports in the last two years into the housing at Ninga Mia; and, if so, what was report for and what was the name of the report?
- (2) Which agency currently manages community housing at Ninga Mia and when did it commence?
- (3) Has the authority completed any reviews of the services provided by the provider in (2) and, if so, will the minister table a copy of the review; and, if not, why not?

Hon COL HOLT replied:

I thank the member for some notice of the question.

- (1) No report has been commissioned; however, properties in this community were inspected as part of a recent statewide property audit to identify the presence of any asbestos building materials in remote Aboriginal housing.
- (2) Following a competitive process, Community Housing Limited was appointed as the property and tenancy manager from 1 July 2015.
- (3) The Housing Authority monitors the performance of the provider on a regular basis in accordance with the terms of its contract.
