

BROOME BOAT HARBOUR ADVISORY GROUP — MARITIME FACILITY

1010. Hon KEN BASTON to the minister representing the Minister for Transport:

I refer to the answers to question without notice 241 asked on 10 April 2018 regarding planning for new marine infrastructure for Broome.

- (1) Since 10 April 2018, how many times has the Broome boat harbour advisory group met?
- (2) What progress has been made in developing a scope of inclusions for the planning of new maritime infrastructure?
- (3) What portion of the \$1 million allocated to this project has been spent?

Hon STEPHEN DAWSON replied:

I thank the honourable member for some notice of the question.

- (1) It has met twice—on 7 May 2018 and 6 August 2018.
- (2) The Department of Transport has provided a schedule of possible inclusions and concepts to the Broome boat harbour advisory group, and received feedback.
- (3) Approximately five per cent of the project funds have been spent to date.
