

WATER CORPORATION - OPERATING LICENCE

846. Hon KEN BASTON to the Leader of the House representing the Minister for Water Resources:

I refer to the pressure and flow requirements stipulation in the Water Corporation's operating licence.

- (1) Which body determines the flow rate and pressure requirements that the Water Corporation must meet?
- (2) Are Fire and Emergency Services Authority requirements for flow rate and pressure taken into consideration when these flow rates and pressure requirements are determined?

Hon KIM CHANCE replied:

I thank Hon Ken Baston for notice of the question.

- (1) The Economic Regulation Authority.
- (2) No.
