

NGURAWAANA COMMUNITY - WATER QUALITY

**765. Hon KEN BASTON to the Leader of the House representing the Minister for Water Resources:**

I refer to the Ngurawaana community in the Pilbara.

- (1) Is the Water Corporation responsible for monitoring water quality in this community; and, if so, what is the frequency and what is the process; and, if not, who is responsible?
- (2) How many water quality alerts were issued in 2005, 2006 and 2007?

**Hon KIM CHANCE replied:**

I thank Hon Ken Baston for providing some notice of the question.

- (1) No. The Department of Housing and Works is responsible.
- (2) This question should be referred to the Minister for Housing and Works. However, if the honourable member requests, I will take the matter up with the minister.
