

TRANSPERTH — TRANSIT AND REVENUE PROTECTION OFFICERS — TRAIN STATIONS

2085. Mrs L.M. Harvey to the Minister for Transport; Planning; Lands:

For each train station on the network, for each day of the week, what is the number of Transit Officers and Revenue Protection Officers on duty between:

- (a) 6am to 4pm;
- (b) 4pm to 7pm; and
- (c) 7pm to closure?

Ms R. Saffioti replied:

The Public Transport Authority has a base level of Transit Officers on duty at all times, however the overall pattern is for Customer Service Assistants and Passenger Ticketing Assistants to be on duty in the morning at stations and Transit Officers or Revenue Protection Officers to take over in the late afternoon and through the night (i.e more of a customer service function is exercised during the day with a heightened security focus at night). The total number of Transit Officers, Revenue Protection Officers, Customer Service Assistants and Passenger Ticketing Assistants are listed below. In addition, eight Delta vehicles, capable of providing a mobile backup response are available.
