

EDUCATION — LEADERSHIP PROGRAM — HARVARD UNIVERSITY

824. Hon SUE ELLERY to the Minister for Education:

- (1) How many participants to date have attended the leadership program to send school leaders to Harvard University?
- (2) Of those, how many were school leaders at the time of their attendance and how many were working in the department in other positions?

Hon PETER COLLIER replied:

I thank the honourable member for some notice of the question.

- (1) There were 22 participants.
- (2) Of these, 20 were principals, 14 were working in schools and six were working as advisors to school principals on a short-term basis at the time of their attendance. Each of the six principals hold positions in schools that they will return to in 2017 or 2018. The remaining two participants were the director general of Education and the director of the Department of Education's school support and improvement unit.
