284. Hon SALLY TALBOT to the minister representing the Minister for Housing:

- (1) When will the final site clean-up of the demolished Churchill Park Guest House in Busselton be completed?
- (2) What was the total cost of the demolition and clean-up?
- (3) Has the department planned the future use of the site?
- (4) If yes to (3), what use is planned and what is the time frame?

Hon KEN BASTON replied:

I thank the honourable member for some notice of the question.

The Department of Housing advises the following.

- (1) It will be completed in March 2014.
- (2) The total cost is \$258 747.
- (3) Yes.
- (4) The site is earmarked for a purpose-built women's refuge for Busselton Women's Refuge Inc. This is subject to confirmation of ongoing operational funding for the services required to operate this facility. Alternatively, social or affordable housing options will be considered. The site has been cleared. The time frame of future development will be subject to confirmation of the above.
