

TAXI DRIVERS — PRE-EMPLOYMENT TESTING

2860. Hon Ken Travers to the Minister for Transport

In relation to people entering employment in the taxi industry, can the Minister advise, what has replaced the psychological testing of potential taxi drivers?

Hon SIMON O'BRIEN replied:

Psychological testing components within the aptitude test have not been replaced.

The aptitude test has been revised and now incorporates the new national minimum English standard, established with the agreement of all States and Territories.
