

TAFE — STUDENT ENROLMENTS

1613. Hon Alison Xamon to the Minister for Education and Training:

I refer to student enrolments across the TAFE campuses, and I ask the Minister to provide:

- (a) (a) student enrolment numbers for semester 1, 2017 for each TAFE campus and a summary for each TAFE college;
- (b) (b) student enrolment numbers for semester 2, 2017 for each TAFE campus and a summary for each TAFE college;
- (c) (c) student enrolment numbers for semester 1, 2018 for each TAFE campus and a summary for each TAFE college; and
- (d) (d) student enrolment numbers for semester 2, 2018 for each TAFE campus and a summary for each TAFE college?

**Hon Sue Ellery replied:**

The VET enrolment data collection is not designed to support term or semester based reporting as each collection point represents a standalone year-to-date snapshot of activity. The Department of Training and Workforce Development only reports validated enrolment activity at periodic intervals that reflect enrolments recorded from the start of the calendar year.

It is important to note that the comparability of 2017 and 2018 enrolment numbers reported by North Metropolitan TAFE has been impacted by processing delays associated with transitioning to the new Student Management System. The delay in entering enrolments has since been addressed by North Metropolitan TAFE.

Enrolments that missed the end of June reporting cut-off will be reflected in the cumulative end of year 2018 data.

- (d) Full year validated data as at 31 December 2018 will be available in mid-April 2019.
