

TRANSPORT (ROAD PASSENGER SERVICES) REGULATIONS 2019

200. Hon SIMON O'BRIEN to the minister representing the Minister for Transport:

I refer to the regulatory impact assessment conducted in respect of the Transport (Road Passenger Services) Regulations 2019.

- (1) When was the regulatory impact assessment carried out, when was it made public and how does an interested party obtain a copy?

If the information is on the department's website, I do not have a 12-year-old kid to help me, so if the minister could, that would be nice!

- (2) If the RIA is not publicly available to date, will the minister table in the house the consultation regulatory impact statement, the decision regulatory impact statement and any other relevant accompanying documentation?

Hon STEPHEN DAWSON replied:

I thank the honourable member for some notice of the question.

- (1) Decision regulatory impact statements were prepared in May and July 2017. The documents were published on the Department of Transport's website in March 2019. I am happy to give an undertaking that I will ask the minister's office to locate those and I will provide them to the member at a future sitting of the house.
- (2) Not applicable.
