

PERTH STADIUM — WEST COAST EAGLES AND FREMANTLE DOCKERS GAMES —
FOOD AND REFRESHMENTS

1242. Hon MARTIN PRITCHARD to the parliamentary secretary representing the Minister for Sport and Recreation:

I refer to the issue of whether patrons will be able to bring their personal food and refreshments into West Coast Eagles and Fremantle Dockers games at the new Perth Stadium.

- (1) Has the minister been advised whether user agreement and product placement matters have been finalised; and, if so, what is the outcome of this matter as it relates to patrons bringing their own food and refreshments into the stadium?
- (2) Will the minister give a guarantee that patrons will be able to take their own food and drink to West Coast Eagles and Dockers games at the new stadium; and, if not, why not?

Hon COL HOLT replied:

I thank the member for some notice of the question. I note that this question was asked on 20 October.

- (1) User agreements have not been finalised with either of these two Australian Football League clubs.
- (2) Fans can be assured they will be able to bring in food and non-alcoholic drinks for their personal use. As is the case in all stadiums, this will be subject to the stadium's safety and security policy.
