

PRIMARY SCHOOLS — CAPITAL WORKS

**224. Hon DONNA FARAGHER to the Minister for Education and Training:**

I refer to new capital works and capital works in progress at Western Australian government primary schools.

- (1) As at 11 March 2017, which primary schools had approved funding for capital works improvements or new works?
- (2) For each school referred to in (1), can the minister list the funding for each project, its current status, and the expected completion date?

**Hon SUE ELLERY replied:**

I thank the honourable member for some notice of the question. The answer is in tabular form, so I seek leave to incorporate it into *Hansard*.

Leave granted.
