

BUSSELTON JETTY PROJECT — FUNDING

4032. Hon Adele Farina to the Minister for Finance representing the Minister for Transport

I refer to the Busselton Jetty rebuild, and ask —

- (1) What was the total cost of this project?
- (2) What was the total amount of Government funding to this project?
- (3) What works were completed with the Government funding to the project?
- (4) What works on the Jetty have not been completed?
- (5) What is the estimated cost to complete these works?
- (6) Will the Government allocate funding to complete the outstanding works?
