

Division 35: Education —

[Supplementary Information No B41.]

Question: Mr A.J. Waddell asked: Please provide a breakdown of the costs of the primary extension and challenge classes, including staffing costs and an estimate of testing costs.

Answer: The costs for the Primary Extension and Challenge (PEAC) program for identified students in Years 5 to 7 is approximately \$3 992 900. This amount comprises of:

- grants to regions totalling \$330 800;
- teaching staff totalling 37 FTE, which equates to a cost of approximately \$3 596 400 including on-costs; and
- an estimated proportion of contract cost and central office staff of approximately \$65 700 for testing.

[Supplementary Information No B42.]

Question: Mr A.J. Waddell asked: Please provide the number of students in the top 2.5 per cent of years 5, 6 and 7 students across the state.

Answer: The participation rate of students identified as being eligible for PEAC in Years 5 to 7 is dependent upon the match between the student's:

- ability;
- area(s) of interest;
- priority (indicated by the student);
- number of places available in each program; and
- location.

Of the 2 100 identified students, approximately 1 760 are participating in the 2012 Primary Extension and Challenge (PEAC) program.

[Supplementary Information No B43.]

Question: Mr P. Papalia asked: Please provide information about the positions that were once in district offices and are now in schools, and which schools those positions are in, including participation officer positions, but not psychologists.

Answer: With the exception of school psychologists, the following positions were located in district offices and are now located in schools. For completeness, the list also includes positions that continue to operate from Regional Education Offices.

GOLDFIELDS

[Supplementary Information No B44.]

Question: Mr D.A. Templeman asked: Please provide a list of schools that have applied for independent public school status and have not been successful in their first and subsequent applications.

Answer: The Member asked that he be provided with the names of those schools that were unsuccessful in their applications to become an Independent Public School on more than one occasion. This was despite being asked in Committee to be mindful of the negative impact that public identification may have on the sensitivities and reputations of these schools and their communities.

At the Member's insistence, please be advised that a total of 103 schools have been unsuccessful over the three intakes. Twenty-six schools have been unsuccessful more than once. These schools are:

- Allanson Primary School
- Bridgetown High School
- Canning Vale College
- Carine Senior High School
- Collie Senior High School

Coodanup Community College
 Dalyellup College
 Darling Range Sports College
 East Carnarvon Primary School
 Ellenbrook Secondary College
 Ellen Stirling Primary School
 Endeavour Education Support Centre
 Endeavour Primary School
 Gilmore College
 Hampton Senior High School
 Kensington Primary School
 Mount Lawley Primary School
 Redcliffe Primary School
 Sawyers Valley Primary School
 Southern River College
 Success Primary School
 Swanbourne Primary School
 Tapping Primary School
 WA College Of Agriculture - Harvey
 Warwick Senior High School
 West Busselton Primary School

[Supplementary Information No B45.]

Question: Ms R. Saffioti asked: Please provide a list of future school sites.
