

WATER CORPORATION — ENGINEERING AND CONSTRUCTION SERVICES PRIVATISATION

942. Hon MARTIN PRITCHARD to the minister representing the Minister for Water:

I refer to the privatisation of the engineering and construction services of the Water Corporation announced on 14 August 2015.

- (1) When did the Water Corporation board first consider the possible sale of its engineering and construction services and when was the decision to put the asset up for sale made?
- (2) When was the probity auditor appointed?
- (3) Did the probity auditor's contract include scrutiny of the original decision to put the asset up for sale?

Hon KEN BASTON replied:

I thank the honourable member for some notice of this question.

(1)–(3) The Water Corporation has provided a time line. It is three pages, so I seek leave to table it.

Leave granted. [See paper 3257.]
