

*AUSTRALIND* — PASSENGER PLATFORMS UPGRADE

**397. Hon COLIN HOLT to the minister representing the Minister for Transport:**

I refer to upgrades to passenger platforms on the *Australind* line.

- (1) Please provide a breakdown of project costings for the new platform at Cookernup.
- (2) Please provide a breakdown of project costings for the new platform at North Dandalup.

**Hon STEPHEN DAWSON replied:**

I thank the honourable member for some notice of the question. This is the answer. I will give it, but I am happy to provide assistance later.

- (1)–(2) Costings for these two projects are to be finalised; however, it is estimated that project costs will be similar to the costs indicated for the Yarloop station upgrade.

It does not state what those are in this answer, so I undertake to find out the answer and provide it to the member at the next sitting of the house.
